

## Vermont Business Wellness Leader Award Nomination Form

Annually, the Governor's Council on Physical Fitness & Sports recognizes a Vermont business leader who goes beyond their occupational duties to foster wellbeing in the community with the *Vermont Business Wellness Leader Award*. This person leads by example with motivational role modeling and generous service to the community. This person exhibits strong leadership in sustaining a culture of wellbeing. This person's zeal for worksite wellness raises the bar for other employers. *Ideally, the nominee should not do these things because it is their job to do so – rather, the nominee is recognized for going above and beyond occupational duties to foster wellbeing in their community.*

To nominate a Vermont Business leader for the Vermont Business Wellness Leader Award, please complete the form below and submit to Council Vice Chair Anna Grearson by email: [annagrearson@yahoo.com](mailto:annagrearson@yahoo.com).
